Sir,

SUB.- Printing of Gavipur Extension maping

Adverting to G O No L 12470-4/M1 13-46-79 dated the 13th March 1947 sanctioning the proposal of the Trust Board to have the enlargement of the aerial photograph of the proposed Gavipur Extension area covering 1 7 Sq Miles prepared to a scale of 16" to a Mile at an estimated cost of Rs 2,415/- at the rate of Rs 1,421/- per Sq Mile, I have the honour to state that the Director, Southern Circle, Survey of India, states in his letter No 4145/53 4 dated 24th May 1948 that 16" ground survey map of the Gavipur Extension area is now ready for printing and that the probable cost of printing would be about Rs 300/- and the same was not included in the original estimate for Rs 2,415/- which represented the cost of only enlargement of the aerial photograph, that if copies have to be printed and supplied a further cost of about Rs 300/- will have to be paid and that on advise copies will be printed and supplied etc (Copy of his letter is enclosed for favour of reference) together with the proof copy of the ground survey map of Gavipur

* Extension area received from the Director

This subject was placed before the Board at its meeting held on 24-6-1948 and the Board after considering the matter resolved -

> "That the extra sum of Rs 300/- for printing of maps of Gavipur Extension be incurred as the same was necessary "

The Survey of India has sent a copy of the printed map of the area on a scale 16 inches to a mile after a ground survey with 10' for contours

The cost of printing the map and supplying 100 copies is as stated Rs 300/- The Survey of India in their letter dated 28-2-47 advise that it is very desirable that extra copies that may be required be ordered for now alone,

as otherwise if any extra copies are required later, it would mean reprinting and extra cost The Board therefore resolved on getting some extra copies The copies would be necessary for working out the details of the extension and also in disposing of various references in regard to the area, that will have to be answered from time to time

The Engineer Officer is of the opinion that it would be very desirable to have at least 20 copies of these 16" to a mile maps enlarged to a scale of 32" to a mile and that this would obviate incurring heavy expenditure on further detailed surveys and mapping for forming the layout plans

Mr Kalappa, the Officer Surveyor of the Survey of India had a detailed discussion with me and the Engineer Officer, and has written to say that these enlargements could be supplied in two parts - the northern half and the southern half - of size 48' x 26' each at a cost of roughly Rs 300/-

It is stated by the Engineer Officer that the advantages of getting these enlargements are very much and this as well as obtaining copies of the maps of 16" to a mile will be of great benefit and save future expenditure on surveys

I request you therefore to kindly obtain the sanction of Government to the resolution of the Board for an expenditure of Rs 300/- for printing and supplying copies of the Survey maps of the area covered by the proposed Gavipur Scheme

I also request you to obtain sanction of Government for the supply of 20 copies of the enlarged Survey Maps of this area on a scale of 32" to a mile

The cost will be debited to the provision in Budget for Surv.

Yours faithfully,

CHAIRMAN

SUB - Gavipur Extension Mapping

---

1 The 16" map is now ready for printing, and your advice is further requested as to the urgency

2 Vide para 6 of my 1675/40 C 19 of 14-11-40 the estimate given for suvey on which subsequent estimates were based did not include printing costs We can now have printing carried out either in Madras or Dehra Dun, the former will complete in about 3 weeks, if no proofs are asked for, Dehra Dun is likely to take 1½ months at least, but would cost roughly Rs 80/- less, actual costs would be charged in each case

3 If the map is urgently required, would you authorise printing in Madras? Probable cost about Rs 300/-

BANGALORE

Sir,

Subject - Printing Gavipur Extension map

As desired in your letter No L 5826 dated 30-11-1948, I have the honour to forward herewith a copy of the ground survey map of the area covered by the proposed Gavipur Extension

2 The number of copies of 16" map to be obtained for Rs 300/- is one-hundred

3 The cost of 20 copies of 32" map is stated to be Rs 300/-

4 This enlarged map will be for the entire area covered, except the area of a strip of 35 chains (770 yards) in width on the western edge of the map covered by rocky grounds and which is unsuitable for planning sites is omitted

5 Sanction of Government may therefore be kindly obtained for the purchase of 100 copies of 16" map for Rs 300/- and 20 copies of 32" map within a sum of Rs 300/- as proposed

Yours faithfully,
